78 PERCENT OF SELLERS PICK THE AGENT WHO SHOWS UP WITH A PHOTO PLAN.

75 percent do the same for a virtual tour and floor plan.

THE PHOTO PLAN IS THE PITCH NOW.

Zillow's 2025 Consumer Housing Trends Report for Agents, cited at Zillow Unlock 2026 by Zillow's Mike Caputo: sellers are 78 percent more likely to hire an agent who offers high-resolution photography, and 75 percent more likely to hire one who adds a virtual tour and an interactive floor plan. Both numbers come from the same seller survey, not two different studies.

BRING THIS TO THE NEXT LISTING APPOINTMENT:

1 **Write a one-page photo and tour plan before you walk in.**
Name who shoots the photos, who builds the virtual tour, and who draws the floor plan.

2 **Say "high-res photos" in the presentation, out loud.**
It's the exact offer 78 percent of sellers responded to.

3 **Offer the virtual tour and floor plan every time, not on request.**
It's the second half of the 75 percent.

4 **Hand the seller the plan, not just the promise.**
A seller can't hire you for a plan you never showed them.

THE TAKEAWAY

THE AGENT WHO SHOWS THE PLAN GETS HIRED BEFORE THE OPEN HOUSE.

Bring the photo plan. Every listing. No exceptions.
