**"IF I SWITCH, I LOSE
MY WHOLE BOOK."**

Every agent who's stayed somewhere too long has told themselves this.

66 PERCENT OF SELLERS CAME FROM REFERRAL OR REPEAT BUSINESS.

NAR 2025 Profile of Home Buyers and Sellers. They picked you before they ever saw your card, your sign, or your brokerage's name on either one. The only one who needs you to believe otherwise is the brokerage that can't compete for your loyalty on culture or support, so it sells you a fear about your own book instead.

WHAT ACTUALLY KEEPS YOUR BOOK IF YOU MOVE:

- 1 Call your top twenty before anyone else does.**
A personal call beats a rumor every time. They stay because you told them, not because a brokerage kept them.
- 2 Say where and why, in one line.**
Clients don't need a pitch. They need the fact and the reason, from you, first.
- 3 Keep doing the thing that earned the referral.**
The move doesn't reset the relationship. Stopping the behavior that built it does.

THE TAKEAWAY

**YOUR BOOK
ALREADY MOVED
WITH YOU. IT'S
WAITING ON THE
CALL.**
