

KALE REALTY

YOU DON'T HAVE A LEAD PROBLEM.

You have a follow-up problem. Here's the fix.

“

**THAT LEAD YOU
FILED UNDER DEAD
ISN'T DEAD.**

You just stopped texting them.

IT WAS NEVER ABOUT TALENT.

After 700 Keeping It Real interviews, the pattern holds across every top producer: they aren't more gifted, they just keep following up long after everyone else quietly gives up. A fifty-million-dollar producer still answers her own phone. Another built his whole business on staying in touch, not new leads. None of it is a tactic. It's a refusal to disappear.

DO THIS BEFORE THE DAY ENDS:

- 1 Pull up your phone.**
Find five people you messaged once and never circled back on.
- 2 Write one real note to each.**
Not a blast, not a pitch. "Thought of you, hope you're well."
- 3 Send all five today.**
Before you talk yourself into waiting for a better moment.

THE TAKEAWAY

**THE LEADS ARE
ALREADY IN YOUR
PHONE. YOU JUST
HAVE TO TEXT
THEM.**

Five notes, sent today, is the whole play.
